Scouting Decoded	Area	Explanation
Scouting Decoded	BSI (Brownsea Island)	Brownsea Island is our first year Scout program where boys have the opportunity to cover requirements for Tenderfoot, 2nd Class and First Class that aren't generally easy to do in regular troop meetings. This year's BSI Scouts will receive a special 90th anniversary BSI Patch at the end of the week.
	COPE	COPE is an acronym for Challenging Outdoor Personal Experience. It consists of group initiative games, trust events, low-course events, and high-course events.
	Scoutcraft	Scoutcraft is a term used to cover a variety of woodcraft knowledge and skills required by people seeking to venture into wild country and sustain themselves independently.
Evening schedule announcements will be posted daily in the camp newsletter (Daily Acorn)
